#### INTRODUCCIÓN

El contenido de la presente guía te ayudará a tener un concepto más amplio sobre el enfoque comunicativo con el fin de profundizar en tus habilidades y destrezas en el idioma inglés.

¿Qué voy a aprender?

¿Tú sabes cómo usar adjetivos con preposiciones como *interested in* or similar to?

Miremos primero ¿qué es un adjetivo? Un adjetivo es una palabra que describe a una persona, animal o cosa, por ejemplo:

The tall man in the red shirt is a friend of mine.

We drove along a quiet road until reaching a small town.

I'm reading an interesting book.

Aquí los adjetivos están subrayados y en color naranja, porque hablan de cualidades.

¿Qué son las preposiciones? Son palabras usadas para conectar dos ideas o demostrar la relación entre dos conceptos. Example:
